

Our new year is unfolding, and a new Administration has taken office. As in the profound words of Youth Poet Laureate Amanda Gorman at this year's Presidential Inauguration, HCC is ready to climb hills with you. We are welcoming students to high-demand medical occupations:

- **Pharmacy Technician**
- **Respiratory Therapy Technician**
- **Endoscopy Technician**

Having a vision to connect students to high growth medical fields is just the beginning, taking command of opportunities that lead to great careers is the next step.

Register today at hccs.edu/now. You can also call 713.718.2000 or email us at student.info@hccs.edu to start achieving your career goals at HCC!

Sincerely,

Reagan Flowers, Ph.D.
